**Caroline Wright**  
CUSC Panel Secretary

### 1 Introduction

Welcome to the CUSC Panel Headline Report. This shall be produced after every CUSC Panel meeting and aims to provide all of our key stakeholders / interested parties with an overview of the headlines and key decisions the Panel are currently managing. Full minutes of the meeting will be produced and approved at the next meeting of the CUSC Panel and will then be published on the website.

All presentations given at this Modifications Panel meeting can be found in the Modifications Panel area on the National Grid website<sup>1</sup>

We would welcome any comments you may have.

### 2 Panel Decisions

The Panel voted on **CMP250 'Stabilising BSUoS with at least a twelve month notification period'**. CMP250 aims to eliminate BSUoS volatility and unpredictability by proposing to fix the value of BSUoS over the course of a season, with a notice period for fixing this value being at least 12 months ahead of the charging season.

The Panel voted on CMP250 against the Applicable CUSC Objectives. The Panel agreed that Original Proposal, WACM 1, WACM 2, WACM 3 and WACM 4 better facilitates the CUSC Objectives. WACM 3 received a slight majority support as the best option with four Panel Members voting WACM 3 as the best option.

### 3 Next Meeting

The next normal Panel meeting will take on 23 February 2018 at National Grid House.
