

Headline Report – August 2018

1 Introduction

The NETS SQSS Review Panel Headline Report is produced after every NETS SQSS Review Panel and aims to provide an overview of the key discussion points.

The Chair highlighted that the July Panel was not quorate, as no SHEL representative has been present at the meeting. Due to technical issues on the call this was not picked up until after the meeting had taken place. The Chair highlighted any discussions and recommendations in relation to GRS024 will need to be re-visited. The Chair highlighted the importance of the process to be followed if Panel members or alternatives are unable to attend. All Panel members agreed going forward that this process will be followed.
