

Headline Report – 14 September 2018

Meeting name SQSS Panel Meeting

The NETS SQSS Review Panel Headline Report is produced after every NETS SQSS Review Panel and aims to provide an overview of the key decisions made

Approval of July Notes & August Minutes

Panel Members approved the notes from the July Panel meeting and the minutes from the August meeting which can be found on the National Grid website.

Review of Action Log & Modification Register

The action log and Modification Register can be found [here](#)

Modification Proposals

New Modification GSR025 (ER-P28)

The Panel reviewed GSR025. They decided that it should be issued to Industry Consultation. The Consultation will be published in line with the publication of the Code Administrator Consultation for Grid Code modification GC0118. Want to know more about the proposed modification? The modification proposal can be found [here](#)

Authority Decision

The Authority highlighted that:

- **GSR016** and **GSR018** have already been approved by Authority and are awaiting implementation;
- **GSR023** and **GSR024** are currently with the Authority awaiting a decision;
- and that the Authority will await the submission of **GSR025** ahead of publishing their consultation on a new version of the SQSS incorporating the approved amendments

*The anticipated implementation date for the modifications is therefore **April 2019***

The dates for the **NETS SQSS Panel Meetings for 2019** were approved
