Key areas of discussion

The Workgroup discussed the following:

- Implementation arrangements for the modification including when a party would be under the existing Grid Code vs the new arrangements in GC0096. This included discussion around:
 - A date for main plant contracts to be signed;
 - A date for National Grid Electricity System Operator to be notified of the main plant contracts; and
 - A date for industry to be connected to the network.
- Definition changes to ensure Storage is shown under Generation
- Workgroup Consultation Responses
- Changes required to the legal text following the consultation responses

Next steps

The Workgroup agreed that the following next steps:

- To review the Workgroup report and ensure it is a true reflection of the Workgroup discussions
- To update the legal text and ensure this reflects the discussions held at the meeting on 23 January 2019
- To meet on the 13th of March 2019 to undertake the Workgroup Vote
