

# CACoP Actions Log - 2019

Action Ref.	Action	Owner	Notes	Update
05/05	The Chair to liaise with Jon Dixon to establish what role the CACoP group can play in regards to the REC being established	National Grid ESO	Ongoing	
05/09	DCUSA to draft wording for a joint CACoP publication regarding their achievements for 2018 and their aims for 2019. This will be completed by the end of the year.	DCUSA	Ongoing	
06/01	Future Thinking to provide the tiers used to determine that participants of the survey are engaged with the Code enough to take part	Future Thinking	Ongoing	
06/03	National Grid ESO to circulate the feedback received regarding the CP Prioritisation work	National Grid ESO	Ongoing	This action is ongoing, National Grid ESO will provide update at next meeting.
06/04	The DCUSA representative to look at the options for the aligning all Code CACoP website pages and provide a paper for the next CACoP meeting	DCUSA	Ongoing	Draft paper has been produced inviting comments/thoughts from the group to refine and finalise the paper and give scope for the CACoP website. This will be revisited as a part of developing an engagement strategy for CACoP
001 - 2019	Ofgem to respond to questions from (FM) and to consider how CACoP can help support in this area.	Ofgem	Closed	Lesley Nugent dialled into the meeting on 19 March 2019 detailing how CACoP can feed into the Energy Codes Review. The Code Manager role could empower CACoP to respond to industry change.
002 - 2019	Lines to Take to be proposed by (FM) for adoption by CACoP. To be revisited in the March 2019 meeting	SPAA	New	

003 - 2019	All Code Administrators to seek feedback from their stakeholders through panels or any other stakeholder interaction points on: <ul style="list-style-type: none"> <li>• How well they understand what CACoP is</li> <li>• What value they think CACoP can add to industry</li> <li>• How they would like to be communicated and engaged going forwards</li> </ul>	All	Closed	This action was scoped out at the March 2019 meeting.
004 - 2019	National Grid ESO (RH) to circulate key messages from the CACoP meeting to industry by end of the week	National Grid ESO	Closed	National Grid ESO (RH) to circulated key messages on 27 March 2019
005 - 2019	National Grid ESO (RGA) to upload onto the CACoP Website	National Grid ESO	Closed	National Grid ESO (RGA) has uploaded "Highlights -CACoP Meeting 19 March 2019" onto the Website.
006 - 2019	National Grid ESO to review and add more detail to actions and to establish if they are still valid	National Grid ESO	New	
007 - 2019	National Grid ESO to request industry cross-code updates from the group ahead of the bi-monthly in person meeting.	National Grid ESO	New	On going
008 -2019	Gemserve (AB) to share flow diagram of the pre-mod process used by Gemserve to assess modifications to identify root cause of the problem before starting to examine solutions by next in person meeting in May 2019	Genserv (AB)	New	
009 - 2019	MRA (EA) to share updated Central Modification Register with the CACoP community by next in person meeting in May 2019	MRA (EA)	New	
010 - 2019	National Grid ESO to invite Ofgem to July 2019 CACoP meeting for update on Energy Codes Review	National Grid ESO	New	

011 - 2019	Elexon (CW) to circulate the link to Horizon Scan/Plan and also circulate the Horizon Scan to CACoP community by next meeting in person meeting in May 2019	Elexon (CW)	New	
012 - 2019	After review of the Horizon Scan all feedback comments to be sent to Elexon	All	New	
013 - 2019	National Grid ESO to write the CACoP engagement approach plan (RH), circulate to the CACoP community for discussion at the April 2019 WebEx	National Grid ESO	New	
014 - 2019	National Grid ESO to set up WebEx meetings inbetween the regular in person scheduled	National Grid ESO	New	
015 - 2019	National Grid ESO to provide Ofgem (LN) the CACoP work plan by 31 May 2019	National Grid ESO	New	
016 - 2019	UNC (EA) to investigate into why no cross code inpacts were showing on the Central Modification Register whilst approximately 40% were identified as having an impact on the iGT, UNC or SPAA or both. Results to be shared at next CACoP meeting.	UNC	New
