

## Charging Circular – BSUoS Billing Suspended 23 July 2019

23 July 2019

Dear BSUoS customer,

Per Elexon circular [EL03014](#) – **Issue affecting the Settlement Administration Agent**, we have needed to suspend BSUoS billing today, Tuesday 23 July 2019

The required SAA-I014 settlement reports are currently not available and we await an update from Elexon as to when these files will be available.

The below runs that were due to be billed today will now be shifted to tomorrow's billing run, subject to the metering files being available later today.

We hope that this issue can be resolved today so that we can invoice as normal tomorrow, if this isn't the case, a further update will be issued tomorrow morning.
