

STCP Modification Proposal Form

PM073

1. Title of Modification Proposal *(mandatory field)*

Code Governance Review (Phase 2): The Fast Track Self-Governance Process.

2. Description of the Proposed Modification *(mandatory field)*

This Modification Proposal seeks to introduce a new Fast-Track Self-Governance process for those modifications which are deemed to have non material changes or impacts to the following;

- Customers
- Competition
- Security of Supply
- Sustainable Development

This Modification Proposal would enable the STC Modification Panel (the “Panel”) to make a decision on whether Fast-Track Self-Governance be applied based on the content of the Modification Report. It is judged that the ‘Fast-Track’ process should be implemented for very minor changes such as updating names and addresses, minor typographical errors or other formatting errors. The Panel can then specify the corrective action that it believes is required to be taken without need to consult with industry parties and follow the normal Self-Governance modification process.

3. Description of Issue or Defect that Proposed Modification seeks to Address *(mandatory field)*

The STCP at present does not have a process in place for the Fast Track Self-Governance Process. This Modification proposal seeks to implement the Fast Track Self-Governance aspect of the Code Governance Review (Phase 2) proposals and meet the new requirements under the modified electricity transmission licence.

4. Impact on the STC *(mandatory field) Introduce a new STCP 25-3.*

5. Impact on other frameworks e.g. CUSC, BSC *(information should be given where possible, if no impact please put ‘None’) None*

6. Impact on Core Industry Documentation *(information should be given where possible, if no impact please put ‘None’) None*

7. Impact on Computer Systems and Processes used by STC Parties *(information should be given where possible, if no impact please put ‘None’) None*

8. Details of any Related Modifications to Other Industry Codes *(information should be given where possible, if no impact please put ‘None’) None*

9. Justification for Proposed Modification with Reference to Applicable STC

Objectives (mandatory field, please provide justification against each objective, if the objective is not better facilitated put 'the proposal has a neutral impact on this objective')

STC Objectives

- (a) efficient discharge of the obligations imposed upon transmission licensees by transmission licences and the Act; and
- (e) promotion of good industry practice and efficiency in the implementation and administration of the arrangements described in the STC

Notes:

- Those wishing to propose a Modification to the STC should do so by filling in this "Modification Proposal Form" that is based on the provisions contained in Section 7.2 of the STC.
- The Modification Panel Secretary will check that the form has been completed, in accordance with the requirements of the STC, prior to submitting it to the Modification Panel. If the Modification Panel Secretary accepts the Modification Proposal form as complete, then she/he will write back to the Proposer informing them of the reference number for the Modification Proposal and the date on which the Committee will consider the Proposal. If, in the opinion of the Modification Panel Secretary, the form fails to provide the information required in the STC, then he/she may reject the Proposal. The Modification Panel Secretary will inform the Proposer of the rejection and report the matter to the Modification Panel at their next meeting. The Modification Panel can reverse the Modification Panel Secretary's decision and if this happens the Modification Panel Secretary will inform the Proposer.

The completed form should be returned to:
