07787261242

### Key areas of discussion

- The workgroup concluded their voting on CMP324 & CMP325. Four members voted that the Original Solution was the best option, with four members also voting for WACM1. 1 vote each was received for WACM2 and 3.
- The workgroup reviewed the workgroup report and the Code Administrator took away actions to make amendments. The workgroup will have the opportunity to review this again ahead of final sign off during a meeting on 20 May 2020. The Workgroup Report will be submitted to CUSC Panel on 21 May 2020.

If you have any questions, please contact the Code Administrator.
