

# STC Panel Headline Report – 28 October 2020

## Meeting name System Operator Transmission Owner Code Panel

The STC Panel Headline Report will be produced after every STC Panel and aims to provide an overview of the key decisions made. Minutes and an action log for this meeting will be published separately.

## Approval of September Minutes

Panel Members approved the minutes from the September Panel meeting, and they can be found on the National Grid ESO website via the following link:

<https://www.nationalgrideso.com/industry-information/codes/system-operator-transmission-owner-code-stc-old/meetings/stc-panel-5>

## Panel vote on STCP modification proposal

---

### PM0117 Annual Charge Setting - data submission flexibility

The Panel unanimously agreed that PM0117 better facilitated the Applicable STC objectives and as such should be implemented on 29 October 2020.

---

## Updated STC modification proposal

---

### CM072: STC changes in the event the UK leaves the EU without an agreement

This Proposal was first presented to Panel in February 2019 and a Code Administrator Consultation was held in March 2019. The Proposal has been updated to reflect current circumstances, and a second Code Administrator Consultation will be held in November 2020.

---

## Date of the next meeting

---

The next STC Panel meeting will be held on **Wednesday 25 November 2020**.

---
