Panel vote on SQSS modification proposal

GSR027 'Review of the NETS SQSS Criteria for Frequency Control that drive reserve, response and inertia holding on the GB electricity system'

The Draft Final Modification Report for GSR027 was presented to the Panel, and the Panel discussed the Code Administrator Consultation responses received.

The Panel held their recommendation vote on GSR027. The Panel by majority (6 of the 7 votes) agreed that GSR027 better facilitated the Applicable SQSS objectives and as such should be implemented on 1 April 2021 following the Transmission Licence Consultation by the Authority.

Pending Authority Decisions with the Authority:

Ofgem confirmed at the Panel meeting that they expect to provide a decision on the Final Modification Reports for: GSR025, GSR026 & GSR027 prior to Christmas 2020.

Date of the next meeting

The next SQSS Panel meeting will be held on **Wednesday 13 January 2021**.
