Overview

- TCMF
 - ToRs
 - Reporting
- Methodology Statements
 - Implementation review
 - Annual update
- January TCMF discussion

TCMF

■ ToRs

- Panel to adopt TCMF ToRs (8.26.2)
- ToRs need to be updated
- Discussed at January TCMF
 - Keep as open forum for all stakeholders
 - Need for experts group under CUSC?
- Present an updated draft to February CUSC Panel

■ Reporting to the Panel

- Standing item on CUSC Panel agenda

Methodology statements

Methodology Statements

- Statements need to be reviewed
 - Top and tail
 - Consistency check (short of full legal & content review)
 - National Grid to informally issue draft
 - Take account of any concerns prior to bring forward proposals
- Changes would be non material
 - Propose to use self governance under CUSC
- Timing
 - TCMF view is to proceed now

Annual update

- Licence still requires annual update
 - How does this fit with CUSC process?
- Include regular annual changes in the 'Statement of Charges'
 - Content review?
- Any further change would be taken through CUSC process

January TCMF

- Governance issues
- 2011/12 charges
- Condition 5
- Project TransmiT - Ofgem
- Analysis of system usage
- Users Commitment
 - Current interim position
 - Future CUSC proposal
