Panel Recommendation

Frequency Risk and Control Report (FRCR) Methodology Consultation and Next Steps

The ESO summarised the themes from the consultation and explained where the methodology has been updated. They also provided updates on the actions required to follow up on the feedback provided in the consultation.

The Panel by majority recommended the FRCR Methodology subject to some amendments. The amended document will be circulated back to Panel in the week commencing 1 February 2021.

Date of the next meeting

The next SQSS Panel meeting will be held on **Tuesday 30 March 2021**.
