

Western HVDC Link

Western HVDC Link – July 26 2021

Dear market participant,

The Western HVDC Link tripped on Friday 18 June 2021.

It returned to service on Monday 26 July 2021.

Many thanks,

ESO Charging
National Grid Electricity System Operator (ESO)

N.B. The Western HVDC Link is owned and operated by National Grid Electricity Transmission (ET) and Scottish Power Transmission.
