STC Panel Headline Report – 25 August 2021

Meeting name System Operator Transmission Owner Code Panel

The STC Panel Headline Report will be produced after every STC Panel and aims to provide an overview of the key decisions made. Minutes and an action log for this meeting will be published separately.

Approval of June Minutes

Panel Members approved the minutes from the June Panel meeting which can be found on the National Grid ESO website via the following link. The July Panel meeting was cancelled due to light agenda.

New STCP Modifications

No new modifications had been submitted for the August Panel.

Draft Final Self-Governance Modification Reports

No draft reports had been submitted for the August Panel.

Other

Whole System Grid Code Digitalisation Update

Laetitia Walmala presented updated slides from those included in Panel papers. The updated slides are available on the website.

Rob Marshall presented slides on **Hybrid Working** which can be found with updated slides published on the website.

Laura Gordon joined the Panel to get Panel feedback on the **Plugged In Newsletter.**
