New - Gender Neutral Modifications

- The Code Admin team are looking to remove all gender specific references and terminology within our Codes and make them gender neutral. As part of this journey we will be raising two new modifications in November for the Grid Code and CUSC and requesting that these go down the self-governance route. Further modifications to make changes to the STC and SQSS will also be raised in January 2022.

- The Grid Code changes that we will be proposing are:
