

SQSS Panel Headline Report – 13 December 2021

Meeting name Security and Quality of Supply Standards Panel

The NETS SQSS Review Panel Headline Report is produced after every NETS SQSS Review Panel and aims to provide an overview of the key discussion points.

Approval of Minutes

Panel Members approved the minutes from the October Panel meeting which can be found on the National Grid ESO website via the following [link](#).

New SQSS Modifications

No new modifications had been submitted for the December Panel.

Other

SQSS Review

Slides were presented on the **SQSS Review for 2022/23** and in summary Can Li advised the Panel that the ESO have established a prioritised plan for SQSS review and identified a few topics which can be quick wins.

It was confirmed that ESO will continue to engage with stakeholders to revise the plan and ensure any feedback received is addressed. Please see the slides within the [Panel Papers](#) for full details.

Frequency Risk and Control Report (FRCR) 2021 Implementation & 2022 Scope

Following previous presentation at October Panel Patrick McNabb from the ESO gave an update on:

- Background and the scope of FRCR - implementation of key changes and impact of FRCR v2021
- Simultaneous events - definitions of a Simultaneous Event, Simultaneous Event loss sizes and a summary of Event Loss Sizes.
- DC requirements for Simultaneous Events and comparison to FRCR v2021
- FRCR v2022 Provision delivery roadmap and timelines

Details were provided of Phase 1 – 25 May 2021, Phase 2 – 7 October 2021 and FRCR v2021 cost saving summary. For more details please see [Panel Papers](#).

Code Administrator Update:

Deliverable Plan Update and Stakeholder Feedback

An update on Code Administrator 2021/2022 ESO Customer Satisfaction Survey results was presented by Jennifer Groome. This was followed by an update was on the Code

Administrator's Deliverables Plan. For further details on this please see the slides within the [Panel Papers](#).

AOB

CACoP Website

The Panel were advised of the launch of the new [CACoP Website](#) where stakeholders can get information on all the codes on one website, alongside sight of the [Industry Codes Meeting Calendar](#) and [CACoP newsletter](#).

2022 Panel Dates

An update on Panel dates for 2022 was provided and the Panel were advised that these were placeholders and could be changed if required.

Date of the next meeting

The next SQSS Panel meeting will be held in **March 2022**.
