

STC Panel Headline Report – 15 December 2021

Meeting name System Operator Transmission Owner Code Panel

The STC Panel Headline Report will be produced after every STC Panel and aims to provide an overview of the key decisions made. Minutes and an action log for this meeting will be published separately.

Approval of September Minutes

Panel Members approved the minutes from the November Panel meeting subject to minor amendments and these can be found on the National Grid ESO website via the following [link](#).

New STC/STCP Modifications

One new modification had been formally submitted for the December Panel – PM0121 STCP 16-1 “Bay Reservation Amendment”

One new draft modification had been submitted for the December Panel - CM080 “Transmission Impact Assessment Process”

Draft Final Self-Governance Modification Reports

No new reports had been submitted to the December Panel.

Date of the next meeting

The next STC Panel meeting will be held on **Wednesday 26 January 2022**.
