## GC0141: Compliance Processes and Modelling amendments following 9th August Power Disruption

Date: 11 November 2021

### Contact Details

Chair: Nisar Ahmed, National Grid ESO [Nisar.Ahmed@nationalgrideso.com](mailto:Nisar.Ahmed@nationalgrideso.com)

Proposer: Mark Horley, ESO [mark.horley@nationalgrideso.com](mailto:mark.horley@nationalgrideso.com)

### Key areas of discussion

The Workgroup discussions are summarised according to the agenda items:

#### Discussion of Ben M's Alternative

- Work group member advised of alternate and all workgroup members agreed this will be raised as a separate mod by Ben with input from Afhsin Pashaei at NGET

#### Discussion of Damian's Alternative

- Damien was not present in the workgroup and unable to present alternative, all members agreed for this agenda item to be postponed and reviewed at next workgroup when alternative proposer was in the meeting.

#### Discussion of Marko's Alternative

- No concerns were received from the workgroup on Marko's alternative following papers issued pre-meeting
- Concerns from Nicola with regards to alignment of Bilateral Construction Agreements once 141 has been implemented. Nicola to write narrative that will be sent to WG for review and added to WG report as well as being raised at November GCRP. Nisar to provide update at the next workgroup meeting for this.

#### Discussion of alternative from Mark (which he is proposing to merge with his Original)

- Proposer Mark updated the workgroup with detail of the original proposal now with alternative, workgroup had no objections to this.
- Mark will also look at Marko's alternative to bring this inline with his new alternative further.

#### Review of matrix of options and possible combinations/removals

- David (ESO rep) gave an open question to the workgroup to review the matrix and if there were any that could be combined or released to get a final set of permutations.

The following actions were noted:
