

STC Amendment Proposal Form

CA022

1. Title of Amendment Proposal

Amendments to Section H resulting from CA013

2. Description of the Proposed Amendment *(mandatory field)*

This amendment proposes to add two additional sub-paragraphs to Section H (Dispute Resolution) of the STC that were inadvertently omitted during the development of CA013 (TEC Exchange Rate Request Process).

3. Description of Issue or Defect that Proposed Amendment seeks to Address *(mandatory field)*

CA013 (TEC Exchange Rate Request Process) added a new Part Three of Section D to the STC, including two paragraphs, 1.4 and 2.7, which described matters that would be potentially disputable in accordance with paragraph 4.1 of Section H. Section H is structured so that all such disputable matters are listed in paragraphs 4.3 and 4.4. The new paragraphs introduced by CA013 should therefore have been added to this listing in paragraph 4.4 of Section H, but this change was inadvertently omitted. CA022 therefore proposes to correct this by adding two additional sub-paragraphs, 4.4.14 and 4.4.15, to Section H, which will refer to paragraphs 1.4 and 2.7 of Section D, Part Three, respectively.

4. Impact on the STC *(information should be given where possible)*

Two additional sub-paragraphs, 4.4.14 and 4.4.15, would be introduced into Section H of the STC.

5. Impact on other frameworks e.g. CUSC, BSC *(information should be given where possible)*

None

6. Impact on Core Industry Documentation *(information should be given where possible)*

None

7. Impact on Computer Systems and Processes used by STC Parties *(information should be given where possible)*

None

8. Details of any Related Modifications to Other Industry Codes *(where known)*

None

9. Justification for Proposed Amendment with Reference to Applicable STC Objectives *(mandatory field)*

Amendment of the STC in the manner described above would enhance the efficiency of the implementation and administration of the arrangements described in the STC, therefore better facilitating the achievement of applicable objective (e).
