

STC Amendment Proposal Form

CA026

<p>1. <u>Title of Amendment Proposal</u> Exchange of Data Amongst Relevant Parties in Schedules 5, 6, 7, 11 and 13.</p>
<p>2. <u>Description of the Proposed Amendment</u> <i>(mandatory field)</i></p> <p>Allow the transfer of the Construction Planning Assumptions to the Transmission Owners (TOs) in Schedules 5, 6, 7, 11 and 13 as permitted by Schedule 3.</p> <p>Allow the same data to be transferred to the Other Affected TO (e.g. Section D, Part 2, Paragraph 2.2.3) as provided to the Affected TO (e.g. Section D, Part 2, Paragraph 2.2.2) in Schedules 5, 6, 7 and 13 as permitted by Schedule 3.</p>
<p>3. <u>Description of Issue or Defect that Proposed Amendment seeks to Address</u> <i>(mandatory field)</i></p> <p>Currently Schedules 5, 6, 7, 11 and 13 do not allow the transfer of the Construction Planning Assumptions to the TO. The amendment seeks to allow this transfer of data which is permitted by Scheduled 3 to ensure that the TO has sufficient technical information to complete an accurate assessment of the relevant application and submitted a comprehensive offer to National Grid.</p> <p>The lack of appropriate data transfer to the Other Affected TO in Schedule 5, 6, 7 and 13 does not permit an accurate assessment of the data flows on their Transmission System, which may result in incorrect investment planning decisions. It is proposed that the same data provided by NGET to the Affected TO as outlined in Schedules 5, 6, 7 and 13, is submitted to the Other Affected TO. This would ensure that the Other Affected TO have sufficient technical information to conduct an accurate assessment of the relevant application and provide NGET with a comprehensive offer. This data exchange is permitted by Schedule 3.</p>
<p>4. <u>Impact on the STC</u> <i>(information should be given where possible)</i> Changes to Schedules 5, 6, 7, 8, 11 and 13 will be required.</p>
<p>5. <u>Impact on other frameworks e.g. CUSC, BSC</u> <i>(information should be given where possible)</i> None</p>
<p>6. <u>Impact on Core Industry Documentation</u> <i>(information should be given where possible)</i> None</p>
<p>7. <u>Impact on Computer Systems and Processes used by STC Parties</u> <i>(information should be given where possible)</i> None</p>
<p>8. <u>Details of any Related Modifications to Other Industry Codes</u> <i>(where known)</i> None</p>
<p>9. <u>Justification for Proposed Amendment with Reference to Applicable STC Objectives</u> <i>(mandatory field)</i> Amending the STC in this manner would mean that Transmission Owners would continue to be able to efficiently discharge the obligations imposed on them by transmission licences and the Act. It would also facilitate the development of an efficient, economical and coordinated system of electricity transmission.</p>

Details of Proposer Organisation's Name	National Grid Electricity Transmission plc
Capacity in which the Amendment is being proposed (i.e. STC Party or other Party as designated by the Authority pursuant to STC section B7.2.2.1 (b))	STC Party
Details of Proposer's Representative Name Organisation Telephone Number Email Address	Bec Thornton National Grid Electricity Transmission plc 01926 656386 Bec.Thornton@uk.ngrid.com
Details of Representative's Alternate Name Organisation Telephone Number Email Address	John Zammit-Haber National Grid Electricity Transmission plc 01926 655389 John.Zammit-Haber@uk.ngrid.com
Attachments (Yes/No): No If yes, title and number of pages of each attachment:	

Notes:

1. Those wishing to propose an Amendment to the STC should do so by filling in this "Amendment Proposal Form" that is based on the provisions contained in Section 7.2 of the STC.
2. The Committee Secretary will check that the form has been completed, in accordance with the requirements of the STC, prior to submitting it to the Committee. If the Committee Secretary accepts the Amendment Proposal form as complete, then she/he will write back to the Proposer informing them of the reference number for the Amendment Proposal and the date on which the Committee will consider the Proposal. If, in the opinion of the Committee Secretary, the form fails to provide the information required in the STC, then he/she may reject the Proposal. The Committee Secretary will inform the Proposer of the rejection and report the matter to the Committee at their next meeting. The Committee can reverse the Committee Secretary's decision and if this happens the Committee Secretary will inform the Proposer.

The completed form should be returned to:

Lilian Macleod
STC Committee Secretary
