Latest status of Release 2.5
- Work until the background.
- Sticky Notes
  - Add sticky notes by right-clicking, then selecting [Sticky Notes] on the minimap on the bottom right corner of your screen.
- Track your view of the MURAL and zoom percentage may need to check trackpad to zoom in/out. When changing devices you may need to check the Zoom Settings in the bottom right.
- Zooming in & out
  - Hold the space bar down then click and drag to move the position of the entire MURAL on your screen.
- Moving the board
  - After selecting the objects you wish to move, simply drag them to the desired location on the MURAL. To select more than one object, click an object to select it; hold shift while clicking.

Feedback
- Opportunity to provide feedback

Questions
- Ask clarifying questions before we begin, good energy in.
- Speak up, think big, raise concerns, be patient, don't use acronyms or inside language.
- Throughout the session
  - good results out.
  - Remember - good energy in, good results out.

Actions
- good energy in, good results out.
- Ask clarifying questions before we begin, good energy in.
- Speak up, think big, raise concerns, be patient, don't use acronyms or inside language.
- Throughout the session
  - good results out.
