

STCP Modification Proposal Form

PM071

1. Title of Modification Proposal *(mandatory field)*

Code Governance Review (Phase 2): The Significant Code Review (SCR)

2. Description of the Proposed Modification *(mandatory field)*

This Modification Proposal seeks to introduce into the STC one of the proposals highlighted in CGR (Phase 1), the Significant Code Review (SCR). The SCR process seeks to require certain licence holders to raise code modifications in line with the conclusions set out by the Authority following an SCR. The SCR will allow the Authority to initiate a review of one or more matters which they consider to:

- Have significant impacts on electricity consumers or competition;
- Have significant impacts on the environment, security of supply or sustainable development;
- Create significant cross code or cross licence issues;
- Have a significant impact on the Authority's principle objectives (under section 3A of the Act), statutory functions or relevant obligations bound by EU law.

3. Description of Issue or Defect that Proposed Modification seeks to Address

(mandatory field)

The STCP at present does not have a process in place for The Significant Code Review. This Modification proposals seeks to implement the Significant Code Review aspect of the Code Governance Review (Phase 2) proposals and meet the new requirements under the modified electricity transmission licence.

4. Impact on the STC *(mandatory field)* *Introduce a new STCP 25-1*

5. Impact on other frameworks e.g. CUSC, BSC *(information should be given where possible, if no impact please put 'None')* *None*

6. Impact on Core Industry Documentation *(information should be given where possible, if no impact please put 'None')* *None*

7. Impact on Computer Systems and Processes used by STC Parties *(information should be given where possible, if no impact please put 'None')* *None*

8. Details of any Related Modifications to Other Industry Codes *(information should be given where possible, if no impact please put 'None')* *None*

9. Justification for Proposed Modification with Reference to Applicable STC

Objectives (mandatory field, please provide justification against each objective, if the objective is not better facilitated put 'the proposal has a neutral impact on this objective')

Notes:

1. Those wishing to propose a Modification to the STC should do so by filling in this "Modification Proposal Form" that is based on the provisions contained in Section 7.2 of the STC.

2. The Modification Panel Secretary will check that the form has been completed, in accordance with the requirements of the STC, prior to submitting it to the Modification Panel. If the Modification Panel Secretary accepts the Modification Proposal form as complete, then she/he will write back to the Proposer informing them of the reference number for the Modification Proposal and the date on which the Committee will consider the Proposal. If, in the opinion of the Modification Panel Secretary, the form fails to provide the information required in the STC, then he/she may reject the Proposal. The Modification Panel Secretary will inform the Proposer of the rejection and report the matter to the Modification Panel at their next meeting. The Modification Panel can reverse the Modification Panel Secretary's decision and if this happens the Modification Panel Secretary will inform the Proposer.

The completed form should be returned to:
