

# STCP Modification Proposal Form

PM069

**1. Title of Modification Proposal** *(mandatory field)*

STCP modification to invoicing procedures to account for OFTOs that come into effect mid year

**2. Description of the Proposed Modification** *(mandatory field)*

Updates to STCP 13.1 to align with the invoicing procedure that is followed for OFTOs that come into effect mid year. This includes the annual liability less tender costs being split over the remaining months of the year and the value of tender costs being invoiced on asset transfer (Following Ofgem agreeing TCA and CEL could be invoiced up front when agreeing their charging statements, outside of the STC).

STCP 13-1 Invoicing  
Payment Issue 006 di

**3. Description of Issue or Defect that Proposed Modification seeks to Address** *(mandatory field)*

The STCP at present only deals with invoicing for TOs that are in effect on 1<sup>st</sup> April each financial year.

**4. Impact on the STC** *(mandatory field)* Change to STCP 13.1

**5. Impact on other frameworks e.g. CUSC, BSC** *(information should be given where possible, if no impact please put 'None')* None

**6. Impact on Core Industry Documentation** *(information should be given where possible, if no impact please put 'None')* Only impacts on OFTOs

**7. Impact on Computer Systems and Processes used by STC Parties** *(information should be given where possible, if no impact please put 'None')* None

**8. Details of any Related Modifications to Other Industry Codes** *(information should be given where possible, if no impact please put 'None')* None

**9. Justification for Proposed Modification with Reference to Applicable STC Objectives** (mandatory field, please provide justification against each objective, if the objective is not better facilitated put 'the proposal has a neutral impact on this objective')

STC Objectives

- (a) promotion of good industry practice and efficiency in the implementation and administration of the arrangements described in the STC; and

<b>Details of Proposer</b> Organisation's Name	Mary Owen National Grid
Capacity in which the Modification is being proposed  (i.e. STC Party or other Party as designated by the Authority pursuant to STC section B7.2.2.1 (b))	STC Party
<b>Details of Proposer's Representative</b> Name Organisation Telephone Number Email Address	National Grid Electricity Transmission plc
<b>Details of Representative's Alternate</b> Name Organisation Telephone Number Email Address	Damien McCluskey National Grid Electricity Transmission plc 01926 656034 <a href="mailto:Damien.McCluskey@nationalgrid.com">Damien.McCluskey@nationalgrid.com</a>
<b>Attachments (Yes/No):</b>	

**Notes:**

1. Those wishing to propose a Modification to the STC should do so by filling in this "Modification Proposal Form" that is based on the provisions contained in Section 7.2 of the STC.
2. The Modification Panel Secretary will check that the form has been completed, in accordance with the requirements of the STC, prior to submitting it to the Modification Panel. If the Modification Panel Secretary accepts the Modification Proposal form as complete, then she/he will write back to the Proposer informing them of the reference number for the Modification Proposal and the date on which the Committee will consider the Proposal. If, in the opinion of the Modification Panel Secretary, the form fails to provide the information required in the STC, then he/she may reject the Proposal. The Modification Panel Secretary will inform the Proposer of the rejection and report the matter to the Modification Panel at their next meeting. The Modification Panel can reverse the Modification Panel Secretary's decision and if this happens the Modification Panel Secretary will inform the Proposer.

The completed form should be returned to:
