Code Governance within the CUSC

Jade Clarke – CUSC Panel Secretary

8th June 2015

nationalgrid

Pre-modification process

- There are a number of groups set up under the CUSC to discuss issues;

  - Governance Standing Group (GSG)

  - Transmission Charging Methodologies Forum (TCMF)

  - Balancing Services Standing Group (BSSG)

  - CUSC Issues Standing Group (CISG) – coming soon!

- Code Administrator can also provide advice on raising modifications

Modification process

Standard Workgroup (6½+ months)

Self Governance (2½ months)

Fast Track Self Governance (1 month)

Urgent (1+ day)

Proposer ownership

- Any CUSC Party can raise a CUSC Modification Proposal

  - Code Administrator provides a supportive role throughout the process

- The Proposer has ownership of CUSC Modification throughout Workgroup process
