

STC Modification Proposal Form CM058

System Operator – Transmission Owner Code (STC)

Title of the STC Modification Proposal
<i>Amendment of STC Schedule 3 Issue 5 “Information and Data Exchange Specification” to reflect the changes introduced by ITPR, namely the introduction of the Network Options Assessment</i>
Submission Date
<i>March 2016</i>
Description of the Issue or Defect that the STC Modification Proposal seeks to address
<i>To reflect the changes introduced by ITPR which obliges the Parties to exchange data and cost information in order to deliver the Network Options Assessment.</i>
Description of the STC Modification Proposal
<i>Changes to the exiting document to reflect ITPR; to detail the purposes for which the data and information exchange shall be extended.</i>
Impact on the STC
<i>STC Schedule 3 Issue 5 “Information and Data Exchange Specification” only.</i>
Do you believe the STC Modification Proposal will have a material impact on Greenhouse Gas Emissions? Yes / No
No <i>You can find guidance on the treatment of carbon costs and evaluation of the greenhouse gas emissions on the Ofgem’s website: http://www.ofgem.gov.uk/Pages/MoreInformation.aspx?docid=196&refer=Licensing/IndCodes/Governance</i>
Impact on Core Industry Documentation. Please tick the relevant boxes and provide any supporting information
BSC <input type="checkbox"/>

Grid Code

CUSC

Other
(please specify)

None

Urgency Recommended: Yes / No

No

Justification for Urgency Recommendation

If you have answered yes above, please describe why this Modification should be treated as Urgent.

An Urgent Modification Proposal should be linked to an imminent issue or a current issue that if not urgently addressed may cause:

- a) A significant commercial impact on parties, consumers or other stakeholder(s); or*
- b) A significant impact on the safety and security of the electricity and/or has systems;
or*
- c) A party to be in breach of any relevant legal requirements.*

You can find the full urgency criteria on the Ofgem's website:

<http://www.ofgem.gov.uk/Pages/MoreInformation.aspx?docid=213&refer=Licensing/IndCodes/Governance>

Self-Governance Recommended: Yes / No

Yes

Justification for Self-Governance Recommendation

If you have answered yes above, please describe why this Modification should be treated as Self-Governance.

A Modification Proposal may be considered Self-governance where it is unlikely to have a material effect on:

- Existing or future electricity consumers;*
- Competition in generation or supply;*
- The operation of the transmission system;*
- Security of Supply;*

- Governance of the STC
- And it is unlikely to discriminate against different classes of STC Parties.

There is unlikely to be any material effect due to these changes as they support and facilitate the introduction of ITPR.

Should this STC Modification Proposal be considered exempt from any ongoing Significant Code Reviews?

Please justify whether this modification should be exempt from any Significant Code Review (SCR) undertaken by Ofgem. You can find guidance on the launch and conduct of SCRs on Ofgem's website, along with details of any current SCRs at:

<http://www.ofgem.gov.uk/Pages/MoreInformation.aspx?docid=197&refer=Licensing/IndCodes/Governance>.

For further information on whether this Proposal may interact with any ongoing SCRs, please contact the Panel Secretary.

Yes

Impact on Computer Systems and Processes used by STC Parties:

None

Details of any Related Modification to Other Industry Codes

Introduction of ITPR

Justification for STC Modification Proposal with Reference to Applicable STC Objectives:

This section is mandatory. You should detail why this Proposal better facilitates the Applicable STC Objectives compared to the current baseline. Please note that one or more Objective must be justified.

Please tick the relevant boxes and provide justification:

(a) efficient discharge of the obligations imposed upon transmission licensees by transmission licences and the Act

Clarifies the obligations on the Parties imposed by the changes under ITPR with regard to information and data exchange.

(b) development, maintenance and operation of an efficient, economical and coordinated system of electricity transmission

(c) facilitating effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the distribution of electricity

<input type="checkbox"/> (d) protection of the security and quality of supply and safe operation of the national electricity transmission system insofar as it relates to interactions between transmission licensees
<input type="checkbox"/> (e) promotion of good industry practice and efficiency in the implementation and administration of the arrangements described in the STC.
<input type="checkbox"/> (f) facilitation of access to the national electricity transmission system for generation not yet connected to the national electricity transmission system or distribution system;
<input type="checkbox"/> (g) compliance with the Electricity Regulation and any relevant legally binding decision of the European Commission and/or the Agency.

Submitting the Proposal

Once you have completed this form, please return to the Panel Secretary, either by email to Lucy.Hudson@nationalgrid.com and copied to STCTeam@nationalgrid.com, or by post to:

Lucy Hudson
STC Modification Panel Secretary, TNS
National Grid Electricity Transmission plc
National Grid House
Warwick Technology Park
Gallows Hill
Warwick
CV34 6DA

The Modification Panel Secretary will check the form has been completed, in accordance with the requirements of the STC. If no more information is required, the Modification Panel Secretary will contact you with a Modification Proposal number and the date the Proposal will be considered by the Panel. If, in the opinion of the Modification Panel Secretary, the form fails to provide the information required in the STC, the Proposal can be rejected. You will be informed of the rejection and the Modification Panel will discuss the issue at the next meeting. The Modification Panel can reverse the Modification Panel Secretary's decision and if this happens the Modification Panel Secretary will inform you.
