Business Day	Tender Timetable Event	Explanation
1	Single Month, Multiple Month Term Tenders	Market Day: Firm Frequency Response tenders for Single Month & Multiple Months must be submitted no later than 17.00 on Business Day 1 in the E-Tender system ARIBA, the relevant date is outlined in the Timetable above.
12	Tender Results Day	National Grid assesses all Firm Frequency tenders following the Market Day. National Grid may either accept or reject a Firm Frequency Response Tender and will issue a Firm Frequency Response Tender Acceptance letter to the successful parties in respect of this Tender Round by/on this date.
12	Market Tender Report	Following each tender round, National Grid will publish a Market Report summarising all Firm Frequency Response tenders received. This Report can be located in the Firm Frequency Response section of the Balancing Services website.
18	Market Information Report	National Grid will publish a summary of contracted volumes and price information from the most recent Tender Round in a Market Information Report. This Report can be located in the Firm Frequency Response section of the Balancing Services website.
18	E-Tender Opens for following month	The ARIBA Portal will be open until 17.00 on Business Day 1 of the following month. Only those parties pre-registered in ARIBA will receive an email inviting to tender for service delivery commencing the month following the end of the tender window, as outlined in the table above.

EFA Blocks

- Tenders will be restricted to starting and finishing at 0300, 0700, 1100, 1500, 1900, 2300 hours in line with EFA blocks as shown below

	EFA 1	EFA 2	EFA 3	EFA 3	EFA 5	EFA 6
Start Time	23:00	03:00	07:00	11:00	15:00	19:00
End Time	03:00	07:00	11:00	15:00	19:00	23:00

- Full month tenders should start at 2300 on the last day of the previous month, e.g. for the month of May the tender should start at 2300 on 30th April
