Issue 1

Dear Industry Colleague

**Transmission Constraint Management: Confirmation of contract**

The following Transmission Constraint Management Requirement led National Grid Electricity Transmission (**NGET**) to seek to manage forecast voltage and system issues, through a constraint management contract.

**Constraint Requirement**

Requirement Location : South Central

Constraint Duration:

Contract Summary:

Start Time	End time	Type
00:30 14/10/14	06:00 29/10/14	Voltage
