CLARIFICATION REGARDING PEAK GEN POWER UNIT PETDFFR-2 ACCEPTANCE IN FIRM FREQUENCY RESPONSE (FFR) TENDER ROUND 93

Dear Colleague

This letter is to confirm that Peak Gen Power's unit (PETDFFR-2) has been accepted in the FFR Tender Round 93 in line with the original FFR Market Report published on the 18th of September 2017.

We apologise for the confusion that has been created by the revised FFR Market Report that was published on the 19th of September which incorrectly rejected the Peak Gen Power unit. This was due to an error in our business process. We are reviewing this process and putting in the necessary mitigations and process controls to ensure this error is not repeated in the future.

If you have any comments or immediate queries, please contact Robert Smith on 07900 136028.

Yours sincerely

Robert Smith
