

# Alternative request Proposal form

Grid Code

Modification potential alternative submitted to: *(complete modification number this alternative is being submitted to)*

What stage is this document at?

GCxxxx

Mod Title: xxxx

Purpose of alternative Proposal:

*Please insert a short statement of intent.*

Date submitted to Code Administrator: xxxx

You are: A Workgroup member or member(s)/Submitting proposal to a Workgroup Consultation *(delete as appropriate)*

Workgroup vote outcome: Formal alternative/not alternative

*(Should your potential alternative become a formal alternative it will be allocated a reference)*

## Contents

1	Alternative proposed solution for workgroup review.....	2
2	Difference between this proposal and Original .....	2
3	Justification for alternative proposal against Grid Code objectives .....	2
4	Impacts and Other Considerations.....	3
5	Implementation .....	3
6	Legal Text.....	3

*Should you require any guidance or assistance with this form and how to complete it please contact the Code Administrator at [grid.code@nationalgrid.com](mailto:grid.code@nationalgrid.com)*

01	Proposed alternative
02	Formal Workgroup alternative

## 1 Alternative proposed solution for workgroup review

**Mandatory to complete.** Please outline your proposed alternative to the modification defect outlined within the Original Proposal

## 2 Difference between this proposal and Original

**Mandatory to complete.** Please provide as much information as possible as to why this proposed solution is different to the Original solution proposed

## 3 Justification for alternative proposal against Grid Code objectives

**Mandatory to complete.** Please delete the Grid Code Objectives that are not applicable.

Impact of the modification on the Relevant Objectives:	
Relevant Objective	Identified impact
To permit the development, maintenance and operation of an efficient, coordinated and economical system for the transmission of electricity	Positive/Negative/None
To facilitate competition in the generation and supply of electricity (and without limiting the foregoing, to facilitate the national electricity transmission system being made available to persons authorised to supply or generate electricity on terms which neither prevent nor restrict competition in the supply or generation of electricity)	Positive/Negative/None
Subject to sub-paragraphs (i) and (ii), to promote the security and efficiency of the electricity generation, transmission and distribution systems in the national electricity transmission system operator area taken as a whole	Positive/Negative/None
To efficiently discharge the obligations imposed upon the licensee by this license and to comply with the Electricity Regulation and any relevant legally binding decisions of the European Commission and/or the Agency; and	Positive/Negative/Neutral
To promote efficiency in the implementation and administration of the Grid Code arrangements	Positive/Negative/Neutral

Insert text here. ***This is mandatory to complete.*** Please explain how this change will positively or negatively impact the relevant Code objectives and concisely explain the rationale.

## 4 Impacts and Other Considerations

Insert text here. ***This is Mandatory to complete.*** Please concisely set out in detail any potential cross-code, consumer or environmental impacts and attach or reference any other, related work.

Provide detail on:

- i. Who (i.e. which industry code) is impacted;
- ii. Which processes are impacted; and
- iii. Systems impacted

### Consumer Impacts

Insert text here. ***Mandatory to complete.*** Please provide the main impacts so that readers have an overview of how the change proposed will affect the Consumers.

*Please outline the impacts of this proposed alternative in terms of the high, medium or low impact if that differs from the Original proposal*

## 5 Implementation

Insert text here. ***This section is mandatory to complete.*** Please provide any views you have on implementation timescales, including the costs and benefits of a range of implementation options where appropriate and an assessment on how the costs will be recovered.

## 6 Legal Text

*Please provide legal text where possible to support the proposed solution.*

*Please outline where the proposed legal text differs from the text included in the Original Proposal. You do not need to duplicate the full legal text within this section.*
