Dear Industry Colleagues

**Firm Frequency response: FFR Tender Results TR106**

It has come to our attention that in the assessment of tenders submitted for TR106 we omitted awarding two contracts that should have been awarded (tender reference 106.012 KiWi Power Ltd. and tender reference 106.057 Upside Energy). The results for TR106 have now been republished on our website to reflect this. No other providers are affected.

Yours sincerely,

**Rob Rome**
